DESPITE the cost of much time and considerable expense, we have collected and embodied herein accurate copies of the best oil portraits extant of "Our Presidents," and have added thereto a concise biography of each one, giving the date of his birth, his death and the year of his inauguration. The book is therefore not only beautiful, but valuable, and will we trust be given a place upon your table or in your library, where it should be preserved as a valuable work of reference.

THE PUBLISHER.
